

This Logic model has been developed to demonstrate the collective impact of the Assess and Restore funded initiatives that focused on implementing the Direct Access Priority Process within the main objectives of the Assess and Restore funding and Guideline that it was designed to support.

**MOH-M:** This indicator is being collected/reported by the MOHLTC and is being used to evaluate the impact of the A&R funding

**MOH-P:** This indicator is one of the Ministry's optional project indicators that are to be collected/reported by LHINs to the MOH as part of each A&R funding cycle

**DAPP:** This indicator has been identified by the DAPP Cluster Working Group as a key evaluation indicator to be collected/reported by each participating project
