

PLEASE NOTE

The document you are looking for has been replaced by two documents:

- [Rehabilitative Care for Older Adults Living With/At Risk of Frailty: From Frailty to Resilience](#) (December 2021)
- [Hip Fracture: Addendum to Rehabilitative Care for Older Adults Living With/At Risk of Frailty: From Frailty to Resilience](#) (June 2022)

Both documents should be consulted when providing best practice care to older adults who have sustained a hip fracture.

Please save the new URLs to your bookmarks.
